User Interface Design I & II	Human Computer Interaction	Design I and II for Media
Interaction Design	Product Design Thinking	Web Design I

PROJECT EXPERIENCE

Concord Pizza: Mobile Ordering Redesign
Solo UI/UX Designer

Drexel University
Jan 2024 - Mar 2024

- Developed wireframes, sketches, and hi-fi interactive prototypes for mobile screens on Figma, integrating user-centered design principles to enhance usability and drive sales
- Generated solutions and incorporated functionalities aimed at improving the user experience and maximizing sales potential
- Conducted competitive analysis and heuristic evaluations to identify opportunities for optimization, informing the design process and ensuring alignment with industry best practices

Purepour: Water Filter Product and App Design
UX Researcher, Solo UI Designer, Product Designer

Drexel University
Oct 2023 - Nov 2023

- Created wireframes, sketches, and hi-fi designs for mobile screens on Figma, synthesizing user research findings to inform design decisions
- Conducted user research through interviews and surveys, informing the creation of product sketches and guiding the development of user-centered design solutions
- Collaborated closely with cross-functional team members to align design decisions with user needs, technical constraints, and business objectives, ensuring a cohesive and effective design process

WORK EXPERIENCE

Chipotle Mexican Grill
FOH Certified Trainer

Glen Mills, PA
Mar 2023 - Present

- Conducted usability testing and gathered feedback from trainees to iteratively refine training materials and ensure alignment with their needs and preferences
- Utilized data analytics and user feedback to assess the impact of training programs on employee performance and customer satisfaction, making data-driven adjustments as needed

Crew Member

Sep 2022 - Mar 2023

- Collaborated with the management team to integrate user-centered design principles into training materials, enhancing clarity, accessibility, and effectiveness
- Work with people

EXTRACURRICULAR ACTIVITIES

Sigma Psi Zeta Sorority, Inc.
Public Relation Chair, Marketing

Drexel University
Jun 2024 - Present

- Designed and produced multimedia content (graphics, videos) for fundraising campaigns, enhancing event visibility and engagement across social media platform
